## **MONSTER CABARET SHINED AND MILAN KEPT THE BREATH AWAY. LASVIT HAS JUST WON MILANO DESIGN AWARD 2018**

MILAN April 19 - LASVIT's Monster Cabaret outshined more than 1500 exhibitions in the city of design and won the prestigious Milano Design Award. The award in main category rewards the installation that best interprets a contemporary design and a future conceptual vision.

The award ceremony took place today at the stage of Teatro Gerolamo. The award was handed over by the founder of the award Dino Lupelli and Cristina Tajani, the Councilor of Milan for fashion and design. The jury of the Milan Design Award had to research some essential aspects of events in the city: involvement, vision, contemporaneity, relationship with the city and aesthetics.

*"I am happy and honored that the jury has chosen LASVIT among so many beautiful presentations. We wanted to show the exceptional Monster collection in a different, edgy, daring way. Being given this award just underlines our vision to be the most inspirational glass making company in the world,"* said President and founder of LASVIT Leon Jakimič.

LASVIT brings to Milanese Teatro Gerolamo a daring concept of glass Monsters, an outcome of a symphony of well-respected designers with the best bohemian artisans. Beside this premiering collection, Lasvit presents also signature glass installations. At the stage of Gerolamo dominates composition of 108 small Neverending Glory chandeliers, the admired and best-selling collection of the company, and in the middle of the auditorium: The Independant, the First of Pendants Rising from the Floor. Exhibition complements beautiful dancers from Prague burlesque.

Milano Design Awards are produced by Elita and Furiosalone.it. It is the competition that rewards the events of the Milan Design Week.
