PRESS COLLECTION

DESIGNER: Nendo

YEAR OF DESIGN: 2012

MATERIAL: Hand Blown Bohemian Crystal Glass

The press design is available in two types: a pendant lamp and a floor lamp. In this design, glass tubes are pressed as though they have been pinched, and the light source is fitted into the narrowed space that results. Unusual in the fact that it does not rely on a metal form, the compression of the glass produces a soft, organic form and imbues each lamp with a singular appearance.
